You need to take 15 Wharton credit units over 4 semesters.

That averages out to 3.75 Wharton credit units a semester…so no need to overload this fall!!
If you are taking the full fixed core (3.25 – including MGMT 610), consider adding .5-1 cu at most.

There are plenty of options in the core:
- MGMT 611 or 612
- ACCT 611 or 613
- FNCE 611
- FNCE 613
- LGST 611
- OIDD 611 (Q2) and/or OIDD 615 (Q2)
- OIDD 613 (Q1) OIDD 615 (Q2)

The typical Wharton student finishes the first year with 9-10 cus towards their MBA.

As a first year Lauder student, taking 7-8 Wharton credit units plus INTS 721 and INTS 732 puts you right on track for 9-10 cus.
