The OPI is a live 20-30 minute conversation, taking place over the phone, between a trained, certified [ACTFL](#) tester and the candidate. To schedule an OPI, complete and submit LTI's [online application](#). When scheduling your OPI, please be sure to register as a Lauder applicant with LTI. The OPI must be scheduled and completed with LTI.

The OPI may be completed any time after July 1 to count for the current admissions cycle, but it must be completed within two weeks after submitting your Lauder Application. This will ensure that the results are available when the Admissions Committee reviews the complete application. ** Any applicants who submit a Lauder Institute application at the same time as the Penn Carey Law application and receive an 'Advanced Low' score may be considered for 'Conditional Admission' but must take the OPI test again before January 30th in their first year at Penn Carey Law to demonstrate they have maintained Advanced language proficiency before the start of the program. **

If you have any questions about the OPI or about scheduling your OPI please contact LTI by telephone at +1 914-963-7110 (extension 115 or 127) or by email at testing@languagetesting.com. When scheduling your OPI, please be sure to register as a Lauder applicant with LTI. Please consult with the Lauder admissions office if you have questions regarding the program and/or language requirements.

If you have a valid OPI test result or have scheduled an OPI, you may indicate your results in the following form:
